

What population of parent/families may I work with?

There are many families you can choose to work with. Remember, it is your choice.

Couples, Single Parents, Foster Parents, Parents of Premies, Families with Multiples, Grandparents, Parents w/Adopted Children, Teen Parents, Just Dads, Extended Families, Alternative Families, Families & Children with Special Needs, and Families with infants in the NICU (Neonatal Intensive Care Unit) are just a few of the populations that Instructors and Educators work with.
